

4963 Crownover Drive

\$229,900

This 4 bedroom beautifully maintained ranch boasts numerous updates including a top of the Line, State of the Art Kitchen that is sure to impress even the most accomplished of chefs. Gorgeous solid wood maple cabinets with amber finish, multiple glass doors, two lazy Susans, a divided pantry, along with stunning recessed lighting & crown molding. Magnificent Maple hardwood flooring throughout kitchen and family room. All new Kitchen Aid appliances including Fridge that stays. Counter tops are rich looking Silestone with ceramic back splash.

There is new carpet in all 4 bedrooms and hallway with hardwood flooring underneath. The generous size rooms each have large closets and both bathrooms are totally updated with cultured marble shower & vanity tops and ceramic floors. This home also has updated argon filled, tinted & tilt-in windows.

The huge basement is finished with fluorescent lighting a closed off workspace and even a separate finished room each with its own lighting and drywall. This fantastic home awaits you and your family. Get ready to move in today!
