

# 9321 Niles Place

Extremely clean and well kept brick bungalow in this charming Affton neighborhood. Gorgeous, refinished hardwood floors in living room, dining room, hallway, and both bedrooms. The floors just gleam and your sure to impress! The original detailed stained doors and woodwork is in stellar condition.

The updated, eat-in kitchen sports wood Pella windows with blinds inside the glass. The many cabinets have been customized with pull out shelves, a lazy susan, and even a bread keeper in one of the drawers. You will love the newer self cleaning gas range and built in microwave. The door leading out of the kitchen has a beautiful beveled glass insert. The paneled, enclosed back porch provides additional space for three seasons of the year.

You will have lots of room for entertaining in the large, level back yard. The detached garage has a door opener that can be activated from inside the house. This is a great home in a great neighborhood. Don't miss the opportunity to own this lovely home.
